Thank you to everyone who came up early to set up and all those who helped take everything back down. My thanks also to everyone in the tea tent. My thanks to our Judges and our Lady Paramount. Lastly my thanks to everyone who shot, 60 entries this year. Not quite the most entries ever, but more people turned up and shot on the day than we have ever had.

Congratulations to those with PB's, County Records and those who shot a competition for the first time!

We hope to

see you on Sunday 26th November 2017 for the 12th St Nic shoot or
Sunday 26th March 2017 for our Record Status 'March Madness' Shoot shooting St George,
Albions and Windsor's.
